Please put this Return Form in the parcel with your returned products. Absence of this form will result in a significantly longer processing time. Once you ship back the products, remember to send us an email at info@lanceraccessories.com with the subject field - Return Request - and include the completed Return Form, your order number, the shipping company you have chosen and the tracking number of the return package. This email will serve as your return request and emails sent after 14 days from the delivery date will not be considered eligible for a refund.

Once your package reaches our warehouse, please allow up to 5 business days for your return to be processed.

For further information, please refer to our Returns Policy at <https://www.lanceraccessories.com/returns>
